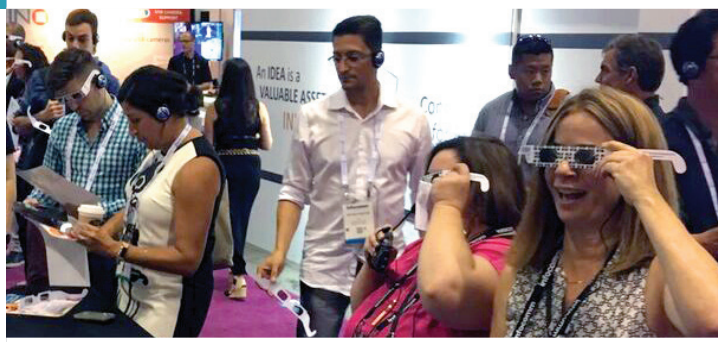
StoryTech®

Driving the Relationship Between Storytelling & Technology

EVENT CURATION & TALENT



UNIQUE & INNOVATIVE CURATED CONTENT

StoryTech produces customized thought leadership events for companies and conferences.

- We curate conference content and identify tracks for your existing conference
- We lean on our network of subject matter experts, ranging from well known authors to executives driving change, to create the best possible content.
- We offer something unique and different on site 'labs' and showcases, and unique experiential content
- We offer unique Audio and Visual production (podcasts, 15-second sharable videos) to keep engagement going postevent.

STORIFY YOUR EVENT

- Curated panels, content and speakers
- Event hosting, moderating and providing of emcees
- Event briefings
- Hosted salons and other complimentary conference events
- Video Production

EXPERIENTAL CONTENT

Tailored to specific demographics, departments or entire companies, events curated by StoryTech senior executives help attendees and VIPs understand the contextual "Story" for each event...

STORYTECH CREATES THOSE CONNECTING MOMENTS THAT HELP BRING IT ALL TOGETHER!

SMES, HOSTS, AND MODERATORS

Engaging, Entertaining and Knowledgeable

- Experienced professionals who are comfortable on stage and in front of VIP's.
- Highly dexterous resources with the ability to
- Keep it relevant, keep a show on time, keep it fun

"All of the speakers for this session were great."

"I was also very impressed with the moderator and how she guided the conversation and reinforced the points the panelists made."

"Your helping to really connect the dots. You guys have so many small facts to the bigger picture stuff."

About StoryTech®
